Who has joined a DAO?

Who has voted on an
onchain DAO proposal?

Who has created, published
and passed a DAO proposal?

Who has created a governance
framework for a DAO?

Governance...

What is Governance, really?

...the **structures, processes, and traditions** that determine how:

power is exercised

stakeholders have their say

decisions are made

decision-makers are accountable

decisions are made

What is Governance, really?

...the **structures, processes, and traditions** that determine how:

decisions are made, by a group of people
